

GREEN AND SUSTAINABLE PROGRAMME IN ICELAND. 21- 25 SEPTEMBER 2015.

Walk the Ancient Paths of the Vikings: Join us on pilgrimage to sacred landscapes from the Green Energy of Iceland

Discover Iceland's innovation in renewable energy, dive into authentic Nordic culture, and participate on adventure excursions you never even realized

Ideally, a human life should be a constant pilgrimage of discovery.

The most exciting discoveries happen at the frontiers: from the Ancient Paths to the Green Sustainable Happiness When you come to know something new, you come closer to yourself and to the Earth . Discovery enlarges and refines your sensibility: whales, glaciers, volcano, When you discover something, you transform some of the forsakenness of the world.

Will you join a community also seeking the presence and the mystery in ancient wisdom, landscape, elements, nature, and presence

Will you join a community also seeking the sustainable happiness for the present: green energy, water, agriculture, oceans.....

Join us and an intimate group of 12 adventure pilgrims in transformative society sacred landscapes of Iceland
